Hearing Officer: _____ Counsel for Minor: _____

Responsible Person: _____ Relationship: _____

Other Persons Present: _____

FINDINGS: This matter was heard this date, and based on the preponderance of evidence, I find that:

1. The minor DOES DOES NOT suffer from a mental disorder.
2. The treatment program DOES DOES NOT require 24 hour hospital care.
3. The hospital IS IS NOT the least restrictive and most appropriate facility which can fulfill the goals and objectives of treatment.
4. The treatment program IS IS NOT reasonably expected to ameliorate the mental disorder.
5. The hospital IS IS NOT in the minor's home community. If not in the minor's home community, the benefit of placement outside the home community outweighs the detriment of separating the minor from his/her community.
6. These findings are based on the following:

ORDER: Good Cause Appearing:
